Message from Miss Young – Year 3 writing workshop

Message from Miss Young

We have had another super, jam packed week of learning. It was lovely to see so many parents and carers at our Parents' Evening sessions – we hope you enjoyed looking at your children's work and seeing the progress they are making. Coming up, we are looking forward to seeing more parents and carers at the Year 2 and Year 3 Writing Workshops - Weds 24th for Y2 and Friday 26th for Year 3. Children - have a lovely week of learning and remember to go home and tell people all about the interesting things you have found out – Miss Young

This week at Moseley –

- Wednesday 24th April – 9am – 10.30am – Y2 Writing Workshop*
- Friday 26th April - 9am – 10:30am - Y3 Writing Workshop*
- **Phonics Workshop – to ensure that everyone is able to access the information, the decision has been made to record the session and put it on the school website.*

EYFS and KS1 news

Year 1 have had another busy week – we have written our stories in English and then we tried really hard to write them neatly in our publishing books.

We thought about how we could start the ideas with time conjunctions like First, Next, After that and Finally. In maths we have been counting in 5s and discussing the patterns we could see.

Abigail – I enjoyed learning about making my sentences interesting

Hazel – I enjoyed using time conjunctions to order my writing

Year 2 have worked very hard this week – we have planned and started to write our story based on ‘Cinderelphant’ – we focussed on interesting time conjunctions to open our sentences and higher level vocabulary choices to describe the characters.

In PE, we focussed on controlling the ball with our feet and carefully moving around the area before we scored goals.

I enjoyed writing about a fish called Bobby – Josh

I like PE best because we do different ball skills in every lesson – Clara

My story was about a dog called Dracula – Benjamin

“The best bit about the museum was going on the steam train. We saw the engine and the fire.”

“The old bus had no roof and went to the seaside.”

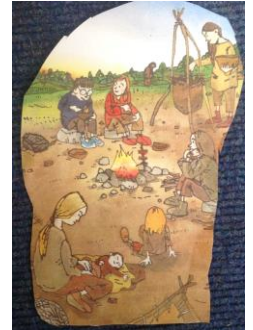

This week, we will focus on Year R

This week, YR went to Wythall Transport Museum for our first big trip! At the museum, we went on the small steam train, looked around lots of different buses, learnt about double deckers and open topped buses, and found out how transport has changed over time. We were very lucky because the sun was shining so we were able to have a picnic lunch and play in the outdoor playground. YR were superstars all day and received a special email from the museum to thank them for their amazing participation and behaviour. Well done YR!

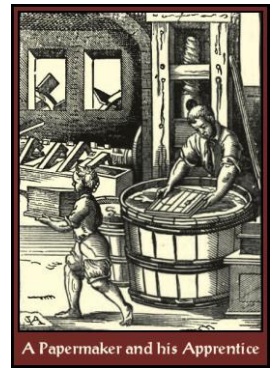

KS2 news

In Year 3, the children are working towards creating a book trailer in their computing lessons. This week, they took lots of photographs of book characters at different angles ready for editing next week.

This week in Year 4, the children have been learning about what life was like for Tudor children. We learned about what life was like as a Tudor apprentice, working one of many different jobs.

In Computing this week, Year 6 have been writing radio scripts that they will be recording. The children have also started looking at the art work of Hokusai, in particular his woodblock print called 'The Great Wave'.

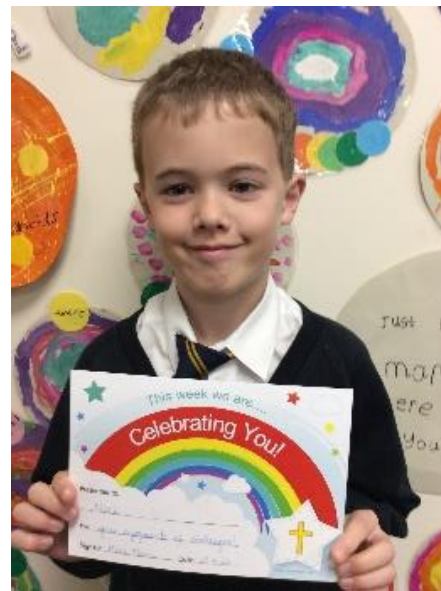

This week, we will focus on Year 5

Year 5 have been learning about Ancient Greece. The children have been exploring the importance of Greek gods, not only to the Ancient Greeks but also their impact on the modern world. Can you think of any Greek influences in your own daily life? The children have started to build installations in Art, while also completing their stop motion animations in Computing.

Wednesday 1st May

10 - 11:15am

via Zoom

This free online event, hosted in collaboration with **Birmingham Resilience, Educations and Wellbeing Service (BREWS)** aims to support families to access free ADHD support, information, advice and guidance. BREWS is a non-profit organisation supporting mental health resilience in young people and promoting neurodiversity awareness. We will also be exploring how Early Help can support professionals and families in accessing support for families early in the life of a problem.
