## MISSION STATEMENT

Our Christian school offers a wide range of exciting and educational opportunities to enhance skills, talents and creativity. The school community appreciates and accepts others, and celebrates the achievements of all. We have supportive and trusting relationships with God and all his children. As a result, we take responsibility and welcome absolutely everyone into a caring and safe environment, where we are all guided to work together.

## AIMS OF THE SCHOOL

At Moseley C of E Primary School, we want ALL of our children to:

- Have an enthusiasm and thirst for learning
- Have confidence to be themselves and consistently aim high to challenge their potential;
- Have an awareness for the world beyond their own – have respect and understanding of others with circumstances different to their own;
- Explore all opportunities provided to discover their talents and abilities;
- To be kind and respectful members of their community;
- Have embedded morals;
- Have fun, good memories of their school life;
- Be inspirational role models.

At Moseley CE Primary School, our aim is to ensure that the whole school community has high aspirations and expectations for all pupils with SEND, and that there is a focus on outcomes for children with SEND, not just the nature of provision/support. To achieve this, we will ensure that:

- All children are given equal access to a broad, balanced and relevant curriculum, meeting the statutory Framework for the Early Years Foundation Stage (2014) and National Curriculum 2014 requirements, including extra-curricular activities.
- The needs of pupils with SEND are identified early and are clearly communicated to all who are likely to teach them. These needs will be assessed, planned for, provided for and regularly reviewed, following the “Assess, Plan, Do, Review” cycle.
- High Quality Teaching (HQT) and any additional provision for pupils with SEND are driven by the class teacher(s)
- All children with special educational needs are encouraged to participate in the decision-making processes about their needs. This includes encouraging them to give their views on assessment of their needs, progress review and to become involved in the transition process.
- Parents / Carers of children with SEND are treated as partners and are encouraged to play an active and valued role in their child’s education.
- We involve outside agencies when appropriate, and work in effective partnership with them.

### 3. Legislation and guidance

This is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND
- [The Special Educational Needs and Disability Regulations 2014](#), which set out local authorities' and schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the special educational needs (SEN) information report
- The [Equality Act 2010](#) (section 20), which sets out the school's duties to make reasonable adjustments for pupils with disabilities
- The [Public Sector Equality Duty](#) (section 149 of the Equality Act 2010), which set out the school's responsibilities to eliminate discrimination, harassment and victimisation; and advance equality of opportunity and foster good relations between people who share a protected characteristic (which includes having a disability) and those who don't share it
- The [Governance Handbook](#), which sets out governors' responsibilities for pupils with SEND
- The [School Admissions Code](#), which sets out the school's obligation to admit all pupils whose education, health and care (EHC) plan names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

### 4. Inclusion and equal opportunities

At our school we strive to create an inclusive teaching environment that offers all pupils, no matter their needs and abilities, a broad, balanced and challenging curriculum. We are committed to offering all pupils the chance to thrive and fulfil their aspirations.

We will achieve this by making reasonable adjustments to teaching, the curriculum and the school environment to make sure that pupils with SEND are included in all aspects of school life.

### 5. Definitions

#### 5.1 Special educational needs

A pupil has SEN if they have a learning difficulty or disability that requires special educational provision to be made for them.

They have a **learning difficulty or disability** if they have:

- A significantly greater difficulty in learning than most others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

**Special educational provision** is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

#### 5.2 Disability

Pupils are considered to have a **disability** if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to do normal daily activities.

The school will make reasonable adjustments for pupils with disabilities, so that they are not at a substantial disadvantage compared with their peers.

#### 5.3 The 4 areas of need

The needs of pupils with SEND are grouped into 4 broad areas. Pupils can have needs that cut across more than 1 area, and their needs may change over time.

Interventions will be selected that are appropriate for the pupil's particular area(s) of need, at the relevant time.

AREA OF NEED	
Communication and interaction	<p>Pupils with needs in this area have difficulty communicating with others. They may have difficulty understanding what is being said to them, have trouble expressing themselves, or do not understand or use the social rules of communication.</p> <p>Pupils who are on the autism spectrum often have needs that fall in this category.</p>
Cognition and learning	<p>Pupils with learning difficulties usually learn at a slower pace than their peers.</p> <p>A wide range of needs are grouped in this area, including:</p> <ul style="list-style-type: none"> <li>• Specific learning difficulties, which impact 1 or more specific aspects of learning, such as: dyslexia, dyscalculia and dyspraxia</li> <li>• Moderate learning difficulties</li> <li>• Severe learning difficulties</li> <li>• Profound and multiple learning difficulties, which is where pupils are likely to have severe and complex learning difficulties as well as a physical disability or sensory impairment</li> </ul>
Social, emotional and mental health	<p>These needs may reflect a wide range of underlying difficulties or disorders. Pupils may have:</p> <ul style="list-style-type: none"> <li>• Mental health difficulties such as anxiety, depression or an eating disorder</li> <li>• Attention deficit disorder, attention deficit hyperactive disorder or attachment disorder</li> <li>• Suffered adverse childhood experiences</li> </ul> <p>These needs can manifest in many ways, for example as challenging, disruptive or disturbing behaviour, or by the pupil becoming withdrawn or isolated.</p>
Sensory and/or physical	<p>Pupils with these needs have a disability that hinders them from accessing the educational facilities generally provided.</p> <p>Pupils may have:</p> <ul style="list-style-type: none"> <li>• A sensory impairment such as vision impairment, hearing impairment or multi-sensory impairment</li> <li>• A physical impairment</li> </ul> <p>These pupils may need ongoing additional support and equipment to access all the opportunities available to their peers.</p>

## 6.6 Parents/carers

Parents or carers should inform the school if they have any concerns about their child's progress or development.

Parents or carers of a pupil on the SEND register will always be given the opportunity to provide information and express their views about the pupil's SEND and the support provided. They will be invited to participate in discussions and decisions about this support. They will be:

- Invited to termly meetings to review the provision that is in place for their child

## 6.7 The pupil

Pupils will always be given the opportunity to provide information and express their views about their SEND and the support provided. They will be invited to participate in discussions and decisions about this support. This might involve the pupil:

- Explaining what their strengths and difficulties are
- Contributing to setting targets or outcomes
- Attending review meetings
- Giving feedback on the effectiveness of interventions

The pupil's views will be taken into account in making decisions that affect them, whenever possible.

## 7. SEN information report

The school publishes a SEN information report on its website, which sets out how this policy is implemented in the school.

The information report will be updated annually and as soon as possible after any changes to the information it contains.

You can find our SEN information report here: [https://www.moseleyce.bham.sch.uk/serve\\_file/9030832](https://www.moseleyce.bham.sch.uk/serve_file/9030832)

## 8. Our approach to SEND support

### 8.1 Identifying pupils with SEND and assessing their needs

We will assess each pupil's current skills and levels of attainment when they start at the school. This will build on information from previous settings and Key Stages, where appropriate. We will also consider any evidence that the pupil may have a disability and if so, what reasonable adjustments the school may need to make.

Class teachers will regularly assess the progress of all pupils and identify any whose progress:

- Is significantly slower than that of their peers starting from the same baseline
- Fails to match or better their previous rate of progress
- Fails to close the attainment gap between them and their peers
- Widens the attainment gap

This may include progress in areas other than attainment, for example, wider development or social needs.

When teachers identify an area where a pupil is making slow progress, they will target the pupil's area of weakness with differentiated, high-quality teaching. If progress does not improve, the teacher will raise the issue with the SENDCO to have an initial discussion about whether this lack of progress may be due to a special educational need. Where necessary they will, in consultation with the pupil's parents or carers, consider consulting an external specialist.

Slow progress and low attainment will not automatically mean a pupil is recorded as having SEN. Potential short-term causes of impact on behaviour or performance will be considered, such as bullying or bereavement. Staff will also take particular care in identifying and assessing SEN for pupils whose first language is not English.

When deciding whether the pupil needs special educational provision, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.

If a pupil is joining the school, and:

- Their previous setting has already identified that they have SEN
- They are known to external agencies
- They have an education, health and care plan (EHCP)

then the school will work in a multi-agency way to make sure we get relevant information before the pupil starts at school, so support can be put in place as early as possible.

### 8.2 Consulting and involving pupils and parents

The school will put the pupil and their parents at the heart of all decisions made about special educational provision.

When we are aiming to identify whether a pupil needs special education provision, we will have an early discussion with the pupil and their parents. These conversations will make sure that:

- Everyone develops a good understanding of the pupil's areas of strength and difficulty
- We take into account any concerns the parents have
- Everyone understands the agreed outcomes sought for the child
- Everyone is clear on what the next steps are

Notes of these early discussions will be added to the pupil's record and available to parents. We will formally notify parents if it is decided that a pupil will receive special educational provision.

### 8.3 The graduated approach to SEN support

Once a pupil has been identified as having SEND, we will take action to remove any barriers to learning, and put effective special educational provision in place. This support will be delivered through successive rounds of a 4-part cycle known as the graduated approach.

#### 1. Assess

The pupil's class teacher and the SENDCO will carry out a clear analysis of the pupil's needs. The views of the pupil and their parents will be taken into account. The school may also seek advice from external support services.

The assessment will be reviewed regularly to help make sure that the support in place is matched to the pupil's need. For many pupils, the most reliable way to identify needs is to observe the way they respond to an intervention.

#### 2. Plan

In consultation with the parents and the pupil, the teacher and the SENCO will decide which adjustments, interventions and support will be put into place, the expected outcomes, and a clear date for review.

All staff who work with the pupil will be made aware of the pupil's needs, the outcomes sought, the support provided and any teaching strategies or approaches that are needed. This information will be recorded on our management information system, Provision Map, and will be made accessible to parents in the form of a Pupil Passport.

Parents will be fully aware of the planned support and interventions, and may be asked to reinforce or contribute to progress at home.

#### 3. Do

The pupil's class or subject teacher retains overall responsibility for their progress.

Where the plan involves group or 1-to-1 teaching away from the main class or subject teacher, they still retain responsibility for the pupil. They will work closely with any teaching assistants or specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.

The SENDCO will support the teacher in further assessing the pupil's particular strengths and weaknesses, in problem solving and advising on how to implement support effectively.

#### 4. Review

The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.

We will evaluate the impact and quality of the support and interventions. This evaluation will be based on:

- The views of the parents and pupils
- The level of progress the pupil has made towards their outcomes

- The views of teaching staff who work with the pupil

The teacher and the SENCO will revise the outcomes and support in light of the pupil's progress and development, and in consultation with the pupil and their parents.

## 8.4 Levels of support

### School-based SEN provision

Pupils receiving SEN provision will be placed on the school's SEND register. These pupils have needs that can be met by the school through the graduated approach. Where the pupil's needs cannot be adequately met with in-house expertise, staff will consider involving an external specialist as soon as possible.

The provision for these pupils is funded through the school's notional SEND budget.

On the census these pupils will be marked with the code K.

### SEND Support Provision Plans (SSPPs)

Where a child has a need for some additional short-term funding to meet identified needs, then **top up funding** can be applied for under a SEND Support Provision Plan (SSPP). This requires support from a third-party agency, which is either part of the local authority or NHS. Applications for top-up funding are usually considered by Birmingham City Council within a couple of weeks, and any funding granted is for a defined period, on a discretionary basis. More information about SSPPs can be found here:

[https://www.localofferbirmingham.co.uk/send\\_support\\_services\\_menu/send-support-provision-plan-sspp/](https://www.localofferbirmingham.co.uk/send_support_services_menu/send-support-provision-plan-sspp/)

### Education, health and care (EHC) plan

Pupils who need more support than is available through the school's school-based SEN provision may be entitled to an EHC plan. The plan is a legal document that describes the needs of the pupil, the provision that will be put in place, and the outcomes sought.

The provision for these pupils will be funded from the school's notional SEND budget, and potentially from the LA (from the high-level needs funding block of the dedicated schools grant).

On the census these pupils will be marked with the code E.

## 8.5 Evaluating the effectiveness of SEN provision

We evaluate the effectiveness of provision for pupils with SEN by:

- Tracking pupils' progress, including by using provision maps
- Carrying out the review stage of the graduated approach in every cycle of SEN support
- Using pupil questionnaires

- Monitoring by the SENDCO
- Holding annual reviews for pupils with EHC plans
- Getting feedback from the pupil and their parents

## 9. Expertise and training of staff

Training will regularly be provided to teaching and support staff. The headteacher and the SENDCO will continuously monitor to identify any staff who have specific training needs and will incorporate this into the school's plan for continuous professional development.

## 10. Links with external professional agencies

The school recognises that it won't be able to meet all the needs of every pupil. Whenever necessary the school will work with external support services such as:

- Speech and language therapists
- Specialist teachers or support services (PSS, PDSS, CAT)
- Educational psychologists
- Occupational therapists, speech and language therapists or physiotherapists
- General practitioners or paediatricians
- School nurses
- Child and adolescent mental health services (CAMHS)
- Education welfare officers
- Social services
- Specialist medical teams (e.g. Cystic Fibrosis Team, Stoma nurse)

## 11. Admission and accessibility arrangements

### 11.1 Admission arrangements

These Admissions arrangement for pupils with an EHCP are separate to admissions for other pupils.

- Arrangements for the admission of prospective pupils with a disability and prospective pupils with SEN are in line with the school's Admissions Policy.
- Prospective pupils whose EHC plan names the school will be admitted before any other places are allocated
- A child with SEND but without an EHC Plan / Statement will not be refused a place on the grounds of their special educational needs, this will also not impact their position in the case of oversubscription criteria.

### 11.2 Accessibility arrangements

We value all our pupils and are committed to providing a fully accessible environment which includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs.

We have ensured that the school is more accessible by making the following adaptations to the school environment:

- Handrails are fitted alongside all stairs in the school.
- A lift is situated outside Year R enabling access to KS2 classrooms.
- A ramp is located outside the main Reception and Year R to make the ground floor accessible from outside the building and will be used in the event of a fire.
  - Wide gates and tarmac areas ensure our playgrounds are accessible for all children
- A treatment room and toilet are located on the ground floor of the building
- We liaise with external agencies to ensure the classroom environment is suitably prepared for pupils with specific learning needs, visual and hearing impairments.

The Governing Body is aware that children have the right to be educated in the school of their choice and this will not be inhibited by disability.

Please see separate accessibility plan for further information.

## **12. Complaints about SEND provision**

In line with the school complaints procedure, where parents have concerns about our school's SEND provision, they should first raise their concerns informally with their child's class teacher or SENDCO.

If parents still have concerns, the next step would be to Head Teacher. We will always try to resolve the complaint informally in the first instance, this will involve a face-to-face meeting where possible.

If this does not resolve their concerns, parents are welcome to submit their complaint formally. Formal complaints about SEND provision in our school should be made to the Head Teacher in the first instance.

They will be handled in line with the school's complaints policy  
[https://www.moseleyce.bham.sch.uk/serve\\_file/9032438](https://www.moseleyce.bham.sch.uk/serve_file/9032438) .

If the parent or carer is not satisfied with the school's response, they can escalate the complaint to the Governors in line with policy referred to above. Where a complaint is made or escalated to the Governors, it should be addressed to the Chair of Governors. Ordinarily, for complaints regarding SEND provision, the SEND Governor will form part of the Review Panel convened by the Governing Board, providing they have no prior knowledge of, or involvement with, the complaint.

In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of the available avenues for complaint and dispute resolution services, for children with health, education and social care needs (both within school and across external agencies) see pages 246 and 247 of the [SEN Code of Practice](#).

## 13. Monitoring and evaluation arrangements

### 13.1 Evaluating the effectiveness of the policy

The Head Teacher and Governors of Moseley CE Primary School have overall responsibility for ensuring that this policy is implemented and the necessary provision is made for any pupil who has special educational needs.

We are constantly looking for ways to improve our SEND policy. We will do this by evaluating whether or not we are meeting our objectives set out in section 1.

We will evaluate how effective our SEND provision is with regards to:

- All staff's awareness of pupils with SEND at the start of the autumn term
- How early pupils are identified as having SEND
- Pupils' progress and attainment once they have been identified as having SEND
- Whether pupils with SEND feel safe, valued and included in the school community
- Comments and feedback from pupils and their parents

This policy will be reviewed every year.

### 13.2 Monitoring the policy

This policy will be reviewed by the Head Teacher **every year**. It will also be updated when any new legislation, requirements or changes in procedure occur during the year. It will be approved by the full governing board.
